Hm? Was that your first orgasm?
What in the world was that!?!?!?
Doing that together can bring us happiness.

I let Madoka handle everything back then. However, I was the only one who was left satisfied. That was a big mistake, but...

This is the perfect opportunity!
Thanks for letting me use your bath, Homura-chan! The water was nice.
Yes! Right now is the best time to redo the first night we spent together.
Homura-chan...?
Grab
I'll be okay! I've studied up ever since then. I'm ready to do this!

It's about time we called it a night, Madoka.
We could try using one of those toys.

We could try this...
Hmmm... How can both of us feel good together, then?
I feel the same way.
I don't want this to end without returning the favor!
...
This isn't that great...
(Attempting Scissoring)
The ones they use in those naughty magazines!? Try it! Try it!
Hmm...
...
I'm not sure how to use it.
Figures.

We just won't stop.
Hehe.
I've got an idea, then.
What is it?
...Madoka, you're a genius!!
Ehehe... That way we can keep making love to each other!
You mean we'll be having our first night together forever and ever!?
Of course!

and eeeeever?
Forever...
Homura-chan!
From now on, we'll always be together!
Yup!
